"What a fantastic trip we had. Everything was perfect and our guide - Tino was the best tour guide we ever had. His deep knowledge about Madeira and his passion were outstanding. Made so much interesting and we couldn't wait to book another trip. Highly recommended. Beautiful views and we definitely will be back" **- Moniatrip**

"We booked 2 tours in the shop, lovely friendly staff. Both times were picked up from our hotel on time. A great way to see lots of different parts of the island. We found it much better being on a mini bus than a bigger coach. We will definitely look at doing some more tours" **- ChippenhamLewis**

"What a fantastic tour company!! I booked the West Island tour before we arrived in Madeira after some research and it was absolutely fantastic. We had Luis as our driver who was informative and super friendly. We enjoyed our trip so much so we booked the half day Nuns valley trip, this was also fantastic and the driver Hugo was also great. What I loved about both trips is how they are planned time-wise, we always seemed to be one of the first busses at the stops so beat the crowds. Cannot wait to return to Madeira we fell in love with the island and will certainly be booking some of the other tours." **- Zoe N**

"Great overview of the island! Our guide was well balanced with facts, fun stories and local insight. He was very accommodating and friendly. Bus was comfortable and stayed cool." **- Jaan E**
